Pam, I did send the information to the engineer to review. I will let you know if he changes the issue with Manufacturing and the water releases during Processing. I am still waiting on the Human Health report however this new information may put that on hold until we evaluated the information.

Thanks  
Jeff

Hi Jeff,  
Could you let me know the status of the P-20-0144 PMN?  
Thank you in advance,  
Pam
